Tattersall's Club Magazine THE OFFICIAL JOURNAL OF TATTERSALL'S CLUB SYDNEY

CHAMPION KINGSTON TOWN HOLDS HIS HEAD HIGH DESPITE HIS DEFEAT ON TATTERSALL'S SPRING RACE DAY.

CHAIRMAN'S MESSAGE

What a delight it was to meet and welcome to the Club, Dr. Gottfried Pagenstert, recently appointed Consul-General of the Federal Republic of Germany, who lunched with a few of the Committee Members and took the opportunity to present to the Club a magnificent publication containing an interesting photographic record of the way of life and scenery in the Republic.

Dr. Pagenstert since becoming a member of the Club, has taken a delight in using the well known facilities of the third floor where he has become a "regular".

Congratulations to Neville Amy and his Epicurean Club for the "fullhouse" sign on 28th July, for dinner at the Club followed by a theatre party for the Theatre Royal production of "Oklahoma".

Also congratulations on his appointment (sad to say goodbye), to Club member and our former Auditor of many years, Alec Wannan, who has been transferred to the position of Senior Partner of the Canberra Branch of Ernst & Whinney. Alec assures me that we will see him at the Club on visits to Sydney, and if you are visiting Canberra ring Alec and look him up about 5.00 pm any week day afternoon. I am sure there will be a hand of welcome and a drink. We welcome Peter King, no stranger to Tattersall's Club members, as the Partner who takes over from Alec to look after the Tattersall's Club audit. We look forward to working with Peter as closely as we did Alec.

Recently long serving Committeeman John Hickey was made a Life Member of the Club in recognition of his service to the Committee and on completion of ten years as a Committeeman. Congratulations John. The Committee tendered a formal dinner in the Committee Room to honour the occasion.

For his long and practical contribution to the Billiard and Snooker Sub-Committee and other areas of the Club's sporting activities, member George Mousally was also honoured, being made a Life Member. A cocktail party has been arranged at which he will be presented with his Life Membership badge.

We regret the inconvenience to members with the current re-painting, papering and repair programme. By the time you read this article the present programme should just about be concluded.

The Committee and myself are very concerned at the decrease in patronage over the last couple of months and whilst some of this can be put down to the economical times, members must realise that to maintain the magnificent facilities available in our Club in the heart of Sydney, there can only be one answer. . . more USAGE by the members.

It seems inevitable that the annual subscription will have to increase in line with costs, wages and all other spiralling factors.

However, you may rest assured careful consideration will be given before this step is taken.

Remember members, it is up to us to utilise our Club. With my best wishes

KEITH H. MOREMON, Chairman

TATTERSALL'S CLUB HONOURS JOHN HICKEY

Outstanding service as Committeeman

John was recently made a Life Member in recognition of service to Tattersall's Club. He has been a Committeeman for ten years. A special Committee dinner was presented in the board room to mark the occasion.

John is pictured with his charming wife

NOW A WORD FOR OUR SPONSORS...

Tattersall's Club Spring Race Meeting was an outstanding success. In the vicinity of twenty thousand were at Randwick, sponsors of races deserve special mention. Members, where possible might give consideration of support to the generous people and their product.

Races carried their names and are pictured. Tattersall's Club thanks all concerned.

At right: Page Headings from the Race Book.

Every picture tells a story . . .

Jockey, Malcolm Johnson and owner David Hains look very dejected after Kingston Town's colours were lowered by Mrs Millie Fox's charge Rare Form. "The King" in the background is "cooling down" after his defeat.

DON'T TALK RECESSION!

There was once a frail old man whose only source of income was his roadside hot dog stand. The old man could not do much else, but he could make magnificent hot dogs.

The people also thought his hot dogs were great and as the popularity of his hot dogs grew, he placed larger orders for bread, sausages, tomato sauce. He also put up signs at the roadside to advertise his hot dogs and some days he even called out, "Buy the best hot dogs here". He eventually had to buy a bigger oven to cope with the demand.

He was a frail old man, his sight was poor, so he didn't read the newspapers, or watch TV. But people still bought his hot dogs. His hearing was poor, so he did not listen to the radio. People still bought is hot dogs.

One day, his son came to see him and was astonished at the amount of money his father had committed to his hot dog business. He said: "Father, why are you spending so much? Don't you know we are in the middle of a great recession?" Now the father had sent his son to university and had done everything to ensure his son had a good education.

"Business is bad everywhere, Father. You should be much more careful with your spending".

The father reasoned that, as he did not listen to radio or read newspapers, and as his son had a good education, and was indeed an educated man so his advice should be heeded.

He reduced his orders of rolls and sausages and on some days he had to turn people away. His signs on the roadside needed repainting, but he would not do this, and took them down. He did not call out any more, as very few people now walked by. He sold his large oven, as it used too much fuel. Finally he sold his stand.

When next he saw his son, he said: "My son, indeed you were very right. We ARE in the midst of a very bad recession".

. . .There's a message somewhere in this story isn't there?

DRINK DRIVING LAW NOT NEW

I was chinkling my ice in the whisky glass at the Club; in the group was a Judge like member who related how drink driving problem was as old as Governor Macquarie.

The Guv. was so concerned about wobbly wheel drivers he introduced a regulation requiring all wagoners to enter town on foot — walking beside the horse, of course.

One of the early hazards he told us was the drunken coachman — so it appears it wasn't even safe to catch a "taxi" in the early colony days.

WINING, DINING AND CLUB NEWS

Member Michael Reynolds had much pleasure in arranging a family reunion for his parents — John and Gray Reynolds (from Brisbane), together with Michael's family — wife Gaby and children Matthew (11) and Felecity (9). Gray Reynolds played in the Australian Interstate Bridge Championships as a member of the Queensland Women's team.

Dr. Sal Retallack entertained Indian businessman and his wife Sudershana at dinner in Tattersall's. Business associate Mrs. Paula Boland and her husband Sach were in the party, too.

Active member Ron Stevens plus Bernard Stevens, Mark Hussy (Ballina), Anthony Hogan (Forster) and James Salmon were all at Tattersall's for the break up dinner for boys from St. Joseph's College, Hunters Hill. Party included Robyn Stevens, Anna Stevens, Rene Kalajzich, Graham Waters, Tim Stevens, Michael Stevens, Tom Stevens (5th birthday), and boys that represented various premiership teams of St. Joseph's. What a grand night! Plenty of excitement good fellowship and food. Plus the thrill of the party night. It was a memorable evening and of course a credit to the main organiser Ron Stevens who has a happy knack of gathering nice people.

Arthur Huxtable celebrated 4th birthday of Philip Huxtable together with his brother David (5). Arthur and his wife Marie rated it as a very enjoyable evening. The presentation of a birthday cake and the candles ceremony made it a fun evening for Philip.

Lou Pidcock was a thrilled man to arrange a party dinner to celebrate daughter Louise's 18th birthday. Present was wife Mary and son Christopher with daughters Louise, Caroline and Maryanne. A friend Lucy Kate joined the evening family party.

Popular member John Craven, Pymble golfer and sportsman was pleased to celebrate the birthday of daughter Mrs. Danielle Wood. Her husband Peter was in the party, too. Mrs. Craven was thrilled with the evening which was a really family night of fun.

Tattersall's was the venue for an enjoyable dinner attended by Mrs. Long, Mrs. O'Sullivan, Patrick and May-Jane Rodgers. Mary and member Maurice Rodgers arranged the farewell to Mrs. Lena Long, Aunt of Mary Rodgers who is returning to Belfast.

Member Douglas Chudleigh celebrated the happy birthday of wife Pat at Tattersall's. In attendance were sons David and Jerome, daughter-in-law Janelle and Geraldine Fox. Douglas jokingly remarked "it's the first time I've been in charge for over 20 years!" It's always a great pleasure to witness a family party in the fine surroundings of Tattersall's Club.

Member Ron Archibald thought of a Tattersall's way to celebrate the 80th birthday of Jack Creaney. Fourteen guests attended the function for Mr. Creaney, who retired as Assistant General Manager of the Manchester Unity after 52 years of service. We wish him a happy retirement and may he enjoy other happy days at Tattersall's.

Allen Diow Duggan chose Tattersall's to celebrate and congratulate Warren Devin Burford. Warren's admission as a solicitor was the reason for the dinner. It was celebrated with family and in the presence of his grandparents Mr. & Mrs. Poole.

Tattersall's member Don Williams with wife Marcelle had a delightful and busy day. Ballet in the afternoon and a fine dinner at Tattersall's in the evening. Granddaughters Katrina and Fiona Blakeney joined the Williams for the meal. It was served in the well known Tattersall's style.

Lloyd and Betty McKeands were all smiles at their 25th wedding anniversary dinner at Tattersall's Club. John and Valerie Rankine were in the party, too. It was a very happy evening and one to remember.

A birthday was a good reason for a celebration Tattersall's dinner for Mr. & Mrs. Harold Cruickshanks. Harold was pleased to have Mr. & Mrs. Allan Massey drink to his health in the party, too.

Member Kevin Duffy and his wife Margaret were hosts to a happy group in Tattersall's. It was the 85th birthday of Mrs. Marion Duffy. Party included 3 grandchildren.

Geoff McNamara staged a happy evening dinner for his wife Barbara's birthday. Mother Gwen, son David, Vicki and Fiona made up the pleasant party.

James Baillie and party enjoyed a Tattersall's lunch to farewell up and coming banker Peter Kennedy (of UK). Peter did a stint in the Antipodes working on some of our economic problems. He is shortly to be married so it was a pleasant occasion. Herbert Lewin was in the group and entrusted with the task of conveying best wishes to the couple.

Member and Electric Commission man Ross Anisimoff (at left), with Keith Miller, International Cricketer, commentator and Soccer Pools executive, with the redoubtable Bill Batty. Bill looks as if he is tossing a googly — or a good story.

WINING, DINING AND CLUB NEWS

(continued)

In Tattersall's recently Dr. Bob Munro and brother Bill entertained their mother Mrs Kate Munro on her birthday. A very happy evening resulted. Also in the party was Bob's charming wife Corinne.

What a fun night for John Spence and his wife NolA! It was their daughter's 24th birthday. They celebrated with Norm and June Bourke, sister Gail and Ken, also Brian and Paula, a probationary policewoman (1st year) enjoyed the party, too.

Popular member Paul McGrath and brother Maurice, with Roger and Pat McGrath (and their wives), entertained their sister Sue and husband Peter Robinson. It was Sue's birthday. The Saturday dinner dance in the dining room is a happy affair — a combination of a good meal, excellent conditions and top service.

Attractive Peter Bradfield and his wife Roz celebrated the 17th wedding of Mr. & Mrs. Michael Whalley and Mr. & Mrs. Tony Hewitt. Member Barry Parsons and his wife were in the happy party, too.

Don Heath with his wife Pauline were delighted to arrange a Tattersall's 17th birthday party for daughter Elizabeth. They were joined by friends — Cathy Yates, Amantha Over, Susan Mullen and Vanessa MacMillan. It was a real fun evening with much merriment and a splendid meal.

Mr. & Mrs. Gunter Bruckner in true Tattersall's style welcomed new member — Mr. Clark Goodwin in the Club. Ronald Auswild with wife Barbara were in the party, too. May new member Clark have many happy hours in Tattersall's.

We missed reporting a very jolly luncheon at Tattersall's Club. It included guests of Club member Archie L. White from Shell Company of Aust. Ltd. staff. Included were Sid C Hemmings, Mark W. Burrowes, D.K. Wright. Management and Staff of Institute of Automotive and Mechanical Engineers (Inc) were there, too, General Manager Frank Burgess, Frank Davis and Stan Hawkins, plus Shell Service Station Dealers represented by Jim Simpson, Peter Ditzell and Graeme Hartman.

There may not have been a tiger in their tanks — but they had a lion of a time! Ed.

Member Ted Burrey one of the kindest men you'd meet in a day's walk. Enjoys his retirement and believes in keeping himself fit. "Walking is the name of the game!" says Ted.

You're so right Mr. White! "The luncheon was very enjoyable and everyone was very impressed with the pleasant and efficient manner in which Andy and his wonderful team of waitresses and stewards attended to their every need. Without doubt, Tattersall's Club is the ideal place for a small informal luncheon of this nature, where the friendly atmosphere and pleasant surroundings make it easy for people to relax and get to know each other." (Excerpt from letter from Club member Archie L. White).

Member James Tonkin, Advertising Manager, The Royal College of General Practitioners forwarded this observation for members consideration.

Eat and Prosper. Executives rejoice. It's official. The long lunch is good for you. An American expert in time management, Dr. R. Alec Mackenzie, says some executives get more work done over lunch than at any other time. He thinks executives should use lunchtime to relax, then after one, two or three hours, return to the office ready to tackle a tough afternoon.

James — You have a lot of members who'll say Amen to this — Ed.

Life membership of Tattersall's Club has been conferred on George Mousally—richly deserved for his contribution to the Billiards and Snooker Section of the Club. It was a most popular award to this very humble man.

Photos of the presentation function to George will appear in next issue.

The Peter Haylen Trust Fund needs your support

Peter Haylen is a quadraplegic. Playing for Sydney University colts, Peter, aged 20, broke his neck in the first scrum of a game against St. George.

While Peter now faces life as a quadraplegic he is determined to finish his engineering degree, then to seek employment in the most constructive way possible. To achieve his aims he must show outstanding dedication and he must have your financial assistance.

The Chancellor of the University of Sydney, Sir Hermann Black is patron of a Trust formed to assist seriously injured rugby player, Peter Haylen, of Northbridge.

Called the Peter Haylen Trust, it is chaired by well-known businessman, Sir Keith Campbell, a friend of the Haylen family.

Other trust members, representing St. Aloysious College Old Boys Union, Sydney University Rugby Club and the Northbridge Committee, are:

Messrs. Thomas R. Buckmaster, James S Cuming, Ruskin J. Davis, Dr. Bernard Haylen, Hon. Justice John B Kearney, Brian Melloy, His Honour Judge C. McGuire, Forbes W. Pratt, John P. Rouen and Geoffrey P. Short.

The Trust's main aim is to coordinate the activities of the many friends and organisations who have rallied to financially assist Peter Haylen since he was injured last April.

Sir Keith Campbell says that funds are raised by the Trust that are surplus to Peter's needs will be allocated to approved Trusts and Institutions established to support sports persons in similar tragic circumstances.

The Patek Philippe Quartz: a pedigree of thirty years of research in electronics.

Patek Philippe has always been a leading innovator of Swiss watchmaking, creating such milestones as the first solid-state table clock and the first miniaturised quartz chronometer.

Advanced technology and a craftsman's approach to watchmaking have resulted in the Patek Philippe Quartz.

Patek Philippe watchmakers lavish on their quartz model as much time as on a mechanical watch: the several months needed for patiently hand finishing and testing result in unsurpassed accuracy and reliability.

The great accuracy of the electronic components mean little unless transmitted to the hands of the watch by a mechanism of the highest quality. In a Patek Philippe Quartz, four pieces out of

five are mechanical: pinions, gear, wheels & bridges, all entirely finished by hand.

With typical caution, Patek Philippe engineers guarantee the accuracy of their quartz watches to

within one minute a year, although they should in all probability vary by no more than 30 seconds a year.

Every Patek Philippe is meant to last for generations; to be passed on to the children or grandchildren. And that includes the Patek Philippe Quartz.

Patek Philippe watches are sold in Australia only by J. Farren-Price at their premises in St. James Arcade in Sydney. They cordially invite you to examine their selection and enjoy the unique satisfaction of handling the world's finest wrist watch.

A GREAT WAY TO EXERCISE

THIRD FLOOR POOL IS THE ANSWER

by Norman Rogers

Some of the Third Floor regulars — a healthy way to spend a lunchtime. A swim, a snack and relax. A magnificent precription for fitness. It's available to every member — why not use it.

Tattersall's Club is traditionally the home of sportsmen and athletes. As a matter of fact, Tattersall's original articles provided as a priority a Club formed to benefit amateur sport. It occurs to me, however, that many members may not be aware of the sporting facilities, apart from the comradeship, that exist in our Club, particularly on the third floor. It is my intent in this article to acquaint members, not only of the facilities, but of the advantages to be obtained.

Most people are under the impression that physical exercise has to be in the main competitive to be of any real benefit and I guess a lot of us consider as we get older that we are no longer welcome participants. I hasten to assure you that this is not the case.

Most exercises are directed towards fitness of heart and lungs. Apart from the excellent gymnasium, handball, medicineball, massage, sauna and steam rooms, and other facilities existing on the third floor, we have a magnificent swimming pool. It was the first of its kind ever constructed and has maintained for over 50 years a prominent position in the City of Sydney as a top-class facility.

Swimming is the closest to the perfect exercise because it improves the arms, legs, stomach, chest, lungs and heart without undue stress on any one section. Injuries received in other sports often respond to non-competitive swimming and as I have said earlier, you do not have to compete to benefit.

Recent figures produced by the National Heart Foundation indicate 50% of men never engage in active exercise and only 16% engage in active exercise at least three times per week.

There are undeniable benefits in swimming for asthmatics and other chronic complaints.

Your Committee is considering a raquetball cum squash court at the back of the handball court and new lockers and further gym equipment is mooted for the year.

Let me assure you, with no disrepect to my second floor friends, runners and tennis players, that these exercises do not measure up all that well for your health by comparison.

These are referred to as "stop/start" sports. Gym workouts and calisthenics will improve strength, muscle-tone and flexibility but for preference the workouts should be combined with some of the better exercises. Proper exercise will overcome blocked coronary arteries and even promote growth of new "collateral" arteries to any endangered areas of heart muscle.

I wish to emphasise that the list of medical benefits to be obtained from swimming as an exercise are endless, and I strongly recommend your use of this facility in your Club.

Ten good points to keep you fit!

There are, however, some important rules to remember, such as:—

- Don't overdo it it takes WEEKS to get fit. Do it regularly, but in easy stages. Don't lose interest.
- 2. Unless you are used to it, keep out of cold water.
- 3. Get a kick board stretch your arms out, and unless swimming for breast-

- stroke or butterfly don't bend your knees kick from the hips and don't break the water, (a propeller out of the water is wasted).
- Learn to breath regularly, to suit yourself, both sides if possible and comfortable.
- 5. Watch your diet do without the fats and the booze for a while.
- Learn to wear goggles and ear plugs (if you have a problem) but a small drop of alcohol ear drops after each dip will help.
- 7. Shower before and after the swim. It's good for yourself and the pool.
- 8. If you are over-tired after a "workout" always walk around for a few minutes THEN sit or lie down, but don't get cold. DO NOT rest immediately.
- 9. Never drink alcohol immediately after a session of training or after a session in the steam or hot rooms.
- Dry yourself well, there can be a lot of aggravating skin problems by not doing so.

I know of at least a dozen Australian and Olympic champions who frequent our third floor and many others with coaching experience who will be happy to help in many ways. Several medicos also frequent.

The most beneficial of all strokes is breast-stroke swimming, but do the one that you feel best at. You perspire whilst you are swimming and the water cools the body. In an hour swimming will burn off from 300 to 1000 of your calories, not that I am suggesting this length of time for anyone but the highly trained or experienced.

So I'll see you there sometime. Have you tried early breakfast at the Club? It's fantastic!

MEMBERS AND THEIR LADIES **ENJOY TATTERSALLS CLUB SPRING MEETING**

Tattersall's club spring racing meeting at Randwick was very well supported, top quality horses were attracted to Royal Randwick for excellent racing. Champion Kingston Town was convincingly beaten in the Subaru Chelmsford Stakes, after winning in 1980 and 1981. Mrs Millie Foxs' very promising Real Form won this year in fine style.

Mrs Fox is a very gracious lady and it was a well deserved win. Chairman, Keith Moremon hosted a members luncheon. Guest of honour was life member Victor Richards. Mrs Moremon entertained committee ladies and guests at the Queens Room Luncheon.

Members are invited to place their names on a list in the office at Tattersall's Club if they wish to attend the next meeting on New Years Day at Randwick.

Sponsors deserve our special thanks. The racing committee headed by the chairman, was supported by a very active racing committee. Tony McSweeny worked the clock round to approach owners for entries in the feature races. Treasurer David Dransfield was pleased with the sponsors support. Committeemen Norman Rogers, Bruce McHugh and Peter Twigg combined for a real team effort.

Secretary Norman Smith as usual was well in control of the administration detail. AJC Co-operation in staging the day was appreciated by Tattersall's. It was not a favourites day but many members were successful in winning. Tattersall's bookmakers were very happy to see some new faces from the club in attendance. Our bookmakers are only too pleased to give the very best odds to fellow members.

A photographic record of the day shows many of the club personalities enjoying the racing day at Royal Randwick.

1982 PLATE WIDE OPEN

This year's Tattersall's Plate first round was decided on Tuesday 15th September.

The Plate is now in its tenth year of competition and was instituted by Committeeman Norman Rogers whose son Ron carried off the first two Plates. Subsequent winners are Michael O'Dea, Ray Hopkins and present title holder Noel

An illustrious field will face the starter. The favourite must be Bond's Noel Vella. who will be chasing his fourth title, not withstanding his defeat by fellow Bondi improver John Ford in last year's State singles championship final.

Representatives from other Clubs will include greats like Gary Stubbs and Bob Green from Clovelly, and John Farde and Frank Coldwell from the Bondi Icebergs Club.

Tattersall's will be represented by Ron Rogers, Neil Rogers, Charles Robinson, Bill Blakemore, Tony Baine, Ken Glass,

Alex Hillston, Ray Hopkins, Ven Hrouda and Michael O'Dea.

Subsequent rounds must be finalised each ensuing week with the final to be played on the presentation night on Tuesday 16th November.

CLUB CHAMPIONSHIPS

Little activity has disturbed the aura of calm on the courts when matches in the championships, A and B should have been decided. It is to be hoped that the scratching pen will not have to be used with such severity as last year.

The two draws have been on the notice board since March and the only game decided to date was a hard fought match in which Ray Hopkins earned a well deserved victory against Ven Hrouda. Ven went down by nine points in the finest set but contested every point and improved considerably in the second set.

Action will have to increase to the frantic stage to complete the championships over the next eight weeks.

The 1982 Billards Tournament was completed mid August and our old time competitor Tom Farrar beat Ralph Davies who has recently returned to the tournaments after an absence of several years. Tom's was a very ambitious victory being his first after five previous occasions when he has run second.

The Snooker Tournament has entered the quarter finals and it is still difficult to pick the final winner out of the keen competitors who still remain. Eddie Charlton appears to be favourite, but it is doubtful if he can concede 108 points start to Bill Blakemore.

Since last going to press there have been many interesting matches with a great majority being decided in the final Black. Here are some of the highlights: Dougie MacDonald (the man with two left feet) has been bowling the opposition down like ninepins and has only one match to go before the quarter finals; Peter Twigg made a well constructed break of 28 when he beat Peter Sullivan; Neil Rogers had a fine victory over Warren Foster after a close and exciting match. Bruce Cox hung on like a tiger to beat Lee Bluett; and Ray Lenehan did very well to beat Bobby Lavigne. John Peoples had to pull out all stops to account for Bruce Howe, and Bob Smith proved to be too good for Dick Thorne. Another excellent match was between John Hoyle and Ken McDonald which was won by John, again "on the black".

TATTERSALL'S CLUB

SKI MEMBERS MAKE THE MOST OF A POOR SEASON

Peter Magnus displays his badge of office at Roslyn Lodge

The well used phrase that records are made to be broken became a reality to Tattersall's skiers at Thredbo and Perisher during our July visits to those areas. The run of excellent skiing conditions for each year since 1976 did not eventuate this year and the 1982 season appears to be heading for the undistinguished title of the poorest ski season on record.

Notwithstanding the lack of snow — Tattersall's numbers were at an all time high with forty skiers at Thredbo and twenty at Perisher.

The Thredbo week at Roslyn Lodge got under way on Saturday June 26th and because of poor skiing conditions lift tickets were reduced to \$16.00 per day; even that was hardly enticement enough to take to the slopes. Those who did soon discovered that dodging rocks can be very hazardous and damaging to skis.

Not to be denied the chance to ski, our hardy group took to the road and tried their luck at Mount Selwyn some two hours drive away. While the snow cover was better than Thredbo, the gentle nature of the slopes and long lift queues did not quite justify the time spent travelling. It was, however, a chance to ski and an opportunity to see Steve and Jenny Dunn who, during the summer, moved from Roslyn to Adaminaby.

Even if the snow was not up to its usual

quality the meals provided by Leslie and Rob White, the Roslyn managers were outstanding; each dinner was a gourmet occasion — in fact it was suggested that Neville Amy and his epicureans should arrange a visit.

Of course the Roslyn week is not all skiing; there was the usual dining out night at Rudi's which was a highlight of the week. The snooker tournament generated a lot of interest and in a close finish was won by Arthur Carney.

The organisation for the week was capably handled by Peter Magnus and a presentation by Anthony Berkman of an 'El Supremo' and a 'Tatt's Ski Captain' Tshirt was a most appropriate expression of the members' appreciation for Peter's efforts.

Again we are grateful to the committee and management of Roslyn for making available their excellent facilities.

Closely following the "Roslyn" week was the well established and patronised Bucks' week at Wirruna Lodge in Perisher Valley. The skiing conditions were no better than those of the Roslyn party two weeks earlier.

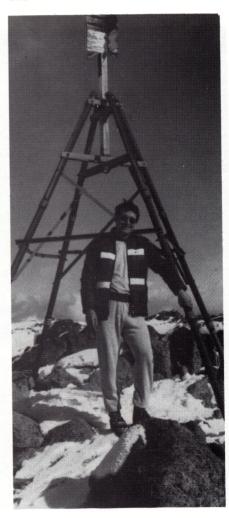

A sight rarely seen at that time of year was cars parked outside lodges, whereas overnight parking is generally not allowed from the middle of June onwards. Skiing was a matter of choosing a path between

the many rocks and tree roots, though a fall of snow on the Tuesday helped to make the runs more skiable.

Graham Smith found it necessary to have his skis resoled after tangling with some rocks; he is now hoping for a season of good snow next year.

Perisher skiers did not have the consolation of reduced lift prices in poor snow conditions. Even in poor snow years Tattersall's skiers know how to enjoy themselves. The dining out night at the White Spider restaurant was as successful as in previous years. George Andrews and his team of chefs again provided a curry night to remember, and while it was not possible to hold any skiing competitions, the table tennis tournament was won in a heart stopping finish by Terry Forrest.

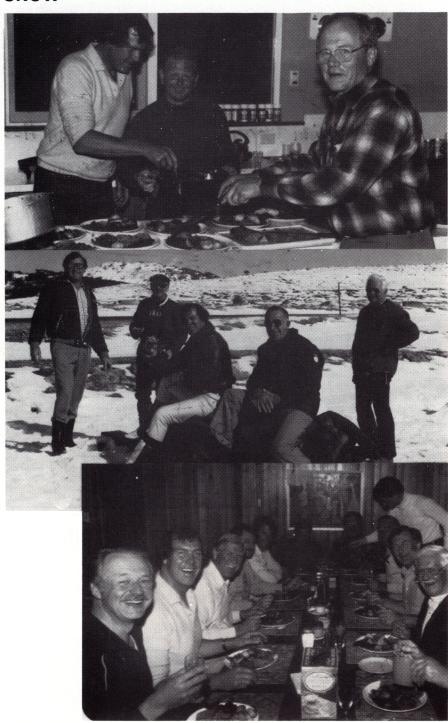

On the bright side for skiers is the decision by the N.S.W. Government to allow controlled development of additional accommodation facilities within the snow areas of New South Wales. This will mean the continued development of existin and new resorts and is certainly good news for all skiers and would-be skiers.

Nick Heath after is run up to the summit of Mt. Stilwell — behind the chalet.

EPICUREANS WAVE THE AMERICAN FLAG

Californian Wines and Roast Turkey

A fine group of Tattersall's Epicureans payed homage to ANZUS by celebrating at an American Night feast at the Club.

Epicurean Committeeman Bill Sellen was the hard working organiser and the gathering was rewarded with extremely interesting wines from the Almaden Winery in California.

The ambience and service were superlative. There is nothing like a plausible excuse for a feast so Hey! Ho! the Yanks!

The canapes served in the lounge were accompanied by the 1980 Almaden Chardonnay which proved to be full bodied and crisp.

The first course in the dining room, Oysters Natural, was superb and the 1979 Johannisberg Riesling was somewhat drier than the Australian wines but provided the usual Riesling nose and elegant style.

Corn soup, I must admit my first encounter with this dish, was a tasty and satisfying drop of nourishment and was suitably complemented by the 1978 Gewurztraminer, a full bodied, fruity wine with a spicy bouquet.

The fresh garden salads preceded the Roast Turkey with fine nut seasoning and cranberry sauce.

There were lashings of 1978 Almaden Cabernet Sauvignon and 1978 Pinot Noir to allow comparisons with local products but I doubt if they were afforded sufficient breathing time and they possibly suffered in assessment as a result.

The dessert, pumpkin pie and ice cream, caused the memory to stir and I wondered just how many years had raced away since I had last tasted this sweet dish.

Coffee, mints and port, or vice versa, take your pick in which order you prefer concluded our salute to our allies.

Some guests did dance, I am told. I didn't. I was incapable of anything more than a gentle stroll.

BOWLS RESULTS:

Tattersall's Club bowlers have again done well during months of June and July, reaching the semi-final of the top available team (singles, pairs, triples and fours) of City Club.

In the Semi-Final Lindfield showed far more experience in the triples and fours, having too great a margin to give us any hope. Having won the two first matches in the singles and pairs we had some enthusiastic supporters, however Lindfield finished better — congratulations Lindfield a better side that day!

We trust Harold Hill, Len Bowden, Jack Shaffran, Dr. Fuzz Porter and Peter McGrath are all off the sick list.

Betting Service available to members!

Tattersall's Bookmakers provide a fine betting service for the public and particularly for Club members. You are invited to ask for betting privileges and you'll receive full co-operation. Settling can be made at the next race meeting or at Tattersalls where bookmakers and their staff meet on the Monday after the meeting. In the event of Monday meeting, Tuesday is the day. Local and interstate meetings are covered. Bookmaking members listed on this page will give you the best odds these men warrant Club support as they are generally the first to support the many charity calls upon them.

So when you are at the track make yourself known to them.

* Tattersall's Committeeman Bruce McHugh with staff offering top odds, too.
